PROJECTS

Fossil Fortune

8-bit Video Game · JavaScript, p5.js, Scrum, Project Management

Fall 2024

Collaborated with a team of five developers over an 8-week sprint cycle to design and ship a fully playable 8-bit video game, employing Agile/Scrum practices including sprint planning, daily stand-ups, and retrospectives.

github.com/JMU-CS345/CS345_FA24_team8

Cinescore

Web Application · React, JavaScript, Vite, Rust, TMDB API

2024 – Present

Developed a full-stack movie tracking application enabling users to curate watchlists, log favorites, and discover new titles via the TMDB API.

github.com/frN0va/Cinescore

Poker Calculator

Web Application · React, JavaScript, HTML, Tailwind CSS

2024

Built an interactive poker odds calculator in React that computes hand win probabilities given any combination of hole cards and community cards.
